

Bonsai Club Gorizia
Comune di Gorizia
Laboratorio d'Arte Bonsai

wish to invite you to
the **BONSAI IN PRIMO PIANO** show,
the 4th edition of the "**Città di Gorizia**" Bonsai Trophy, and to the
1st International Bonsai Contest "**Remembering Margherita**"

Bonsai Club Gorizia and Laboratorio d'Arte Bonsai of Staranzano, with the aid of Gorizia's City Council, are organising jointly the "Bonsai in Primo Piano" bonsai show and the "Trofeo Città di Gorizia".

The event will take place in the historic wing and in the park of Gorizia's Town Hall on **1st October, 2006**, starting at 9.30 AM.

Each participating Club is expected to bring a tree and style it on that day, ending by 5.15 PM, and will have a space for putting up their own tokonoma (2 x 0.60 m).

For the first time this year, Laboratorio d'Arte Bonsai is organising a contest entirely dedicated to female bonsai artists: "**Remembering Margherita**". Every contestant will receive a tree to style, but one is free to bring her own tree if she prefers to. The plants given for styling will in any case remain the property of the artist styling it, and each participant will also receive a small present.

Participation in the event is free of charge: just let us know in advance, by mailing Ennio.Cusimano@poste.it, or through a text message to the mobile number (+39)3382913317.
